WARNINGS

1. Do not immerse the device in a decontaminating product before use.
2. Inspect the contacting surface(s) to make sure it is free from any damage (e.g., chips, scratches, etc.). Do not use or repair if the device is damaged.

PRECAUTIONS

1. Do not attempt to use the Volk Single-Use Contact Laser and Diagnostic Lenses (Direct Contact) prior to completely reading and understanding these instructions for use.
2. To be used by a licensed physician in a method consistent with other direct image ophthalmic contact laser and diagnostic lenses.
3. The sterile packaging and lens should be inspected prior to use.
4. The Volk Single-Use Contact Laser and Diagnostic Lens (Direct Contact) is intended for single patient use only.
5. Do not resterilize and reuse.
6. This device is packaged and sterilized for single use only. Do not reuse, reprocess, or resterilize. Reuse, reprocessing, or resterilization may create a risk of contamination and/or cause patient infection or cross-infection, including, but not limited to, the transmission of infectious disease(s) from one patient to another. Contamination of the device may lead to injury, illness, or death of the patient.

"USE BY" DATE
Use the device prior to the “Use By” date on the package label.

SUGGESTED DIRECTIONS FOR USE

1. Remove the lens from its package and place it in a sterile work area.
2. Standard Fluid contact lenses require methylcellulose or other similar viscous interface solution be applied to the concave contact surface (i.e., between the cornea and the device).
3. Volk’s BBAR Anti-Reflective Laser Coating is optimized for diagnostic imaging, as well as visible and near-infrared wavelength laser procedures (e.g., argon and diode).
4. When calculating the spot size at the treatment site, the laser spot setting should be multiplied by the appropriate Laser Magnification Factor. Refer to the Specifications table to find the appropriate Laser Magnification Factor for the lens that is being used.

Sterilized using ethylene oxide

Do not re-use

Consult the Instructions for Use for important cautionary information

Do not use if package is damaged or open
